

PABLO RIVAS-ROBLEDO

### **tema della ricerca**

I work in the intersection between Social Choice Theory and Legal Philosophy. In my dissertation I am exploring the epistemic virtues of different voting rules and how to better apply them to improve participatory policy-making.

### **elenco delle pubblicazioni**

Defining Judicial Activism: Judicial Activism as the (Im)proper use of Judicial Powers and the Colombian Experience of Judicial Review of Constitutional Amendments Forthcoming, Hart Publishing.

Trust in Public Expertise for Public Policy, in: The Ethics of Trust and Expertise. Book of Abstracts, 33, 2022,
